BREAKING THE CHAINS OF POVERTY & PHARMACY TECH PROGRAMS

A. Phillip Randolph Institute Pittsburgh

The Breaking the Chains of Poverty program is designed for participants to build the skills necessary to obtain family sustaining careers in the building and construction trades, manufacturing, and the emerging energy sector. This free eight week high impact, high expectation training includes six national certifications, hard skills training and soft (life) skills training.

INTRODUCTION TO THE CONSTRUCTION TRADES

The Builder's Guild of Western PA

Introduction to the Construction Trades aims to connect individuals of all backgrounds to the extraordinary educational and career opportunities provided by the building and construction trades. Chief among those are family-sustaining wages and benefits and the ability to continually advance to greater levels of responsibility. This training program facilitates career exploration through a combination of hands on activities, virtual reality, individual career counseling, visits to Joint Apprenticeship Training Centers (JATC), and meeting professionals in various fields.

BUSINESS DEVELOPMENT GUIDANCE – BizFIT

The Riverside Center for Innovation

The BizFIT program combines strategy, connections, and expertise, to enable disadvantaged entrepreneurs to grow sustainable enterprises. With BizFIT's guidance, business owners will evaluate the marketplace to find the best fit for their services while focusing on their top strategic capabilities. Entrepreneurs then receive guidance to create a five-year strategic growth plan that can propel their company into future success.
