Carl Walker Construction

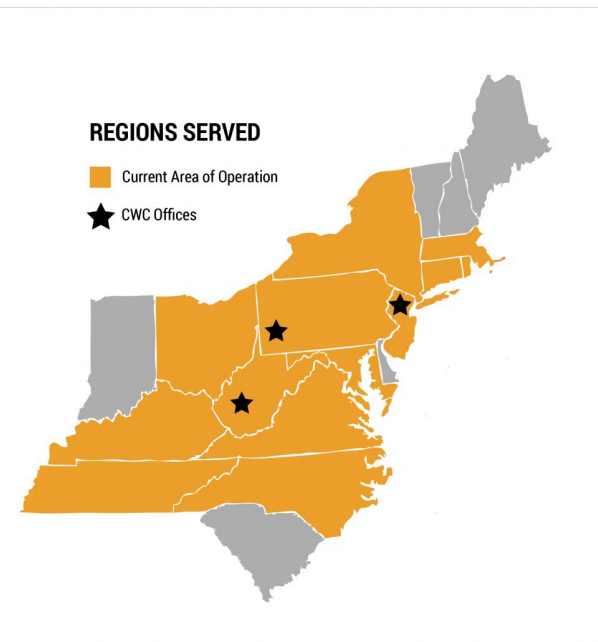

WE SOLVE PARKING

Carl Walker Construction is the premier contractor for all your parking facility needs. We offer sustainable design, new construction and expansion, restoration and preservation, as well as specialty concrete know-how, through self-performed, single-source solutions, to exceed every new project challenge.

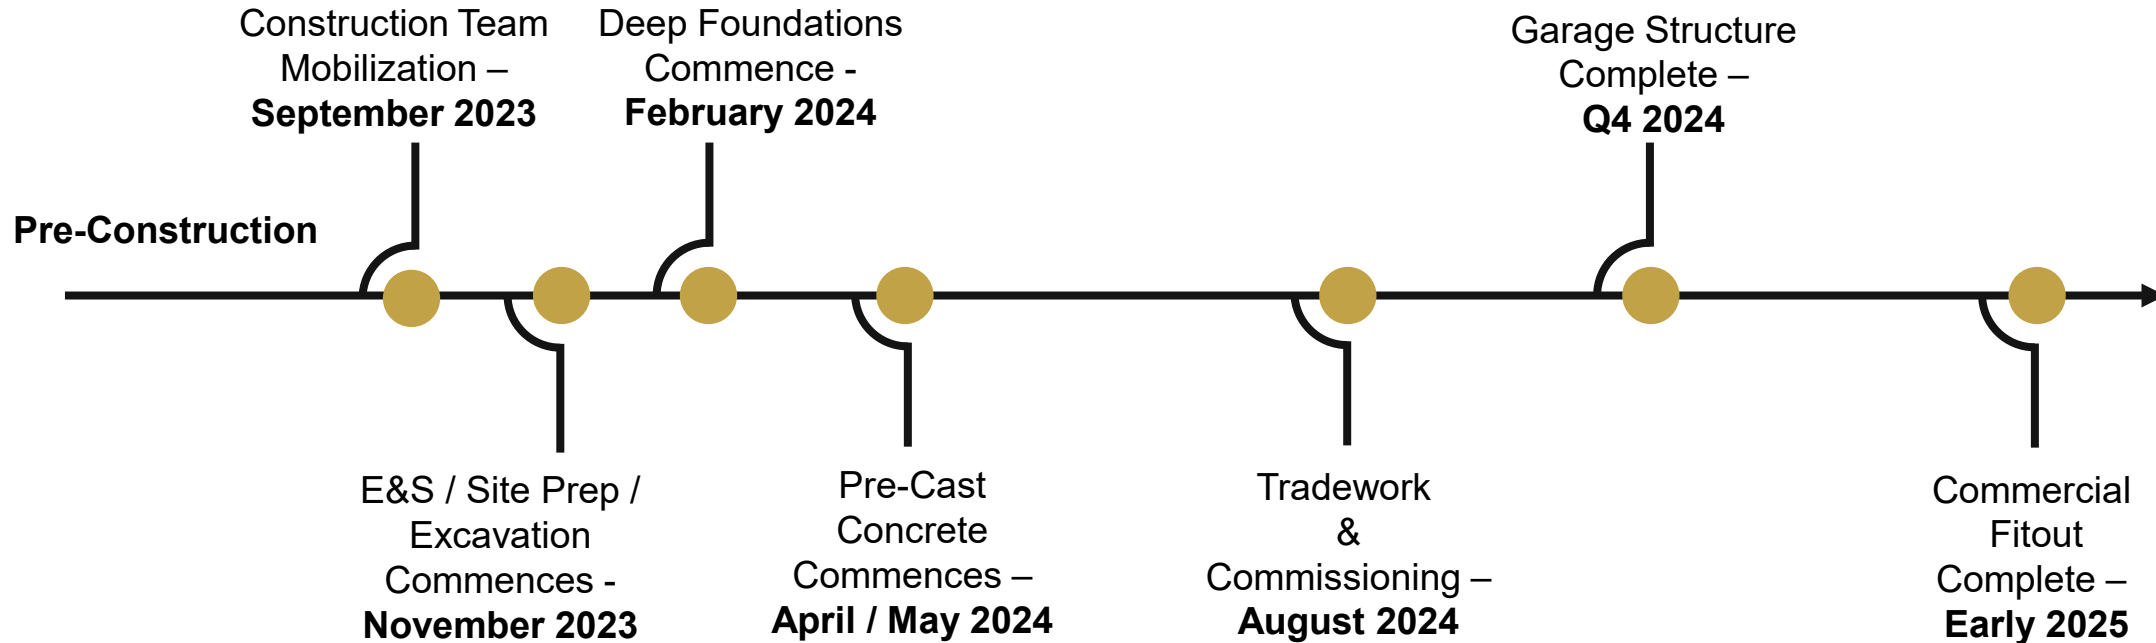

Over hundreds of projects, from conception to completion, we have demonstrated a commitment to quality, building an industry standard that few others can achieve. Our experience, technical capability, proven resources, and a genuine passion for our work, continues to keep us BUILDING EXCELLENCE AT EVERY LEVEL.

Our Commitment:

- As part of this commitment to inclusionary business practices, Carl Walker Construction encourages women-owned, minority-owned, veteran-owned and small business participation on all our projects – regardless of funding requirements.
- As your construction partner, we will structure an effective and achievable local workforce and MWBE approach for the overall construction program and enforce its success with the subcontractors on this project.
- We also invest in our business partners through knowledge transfer through a wide-range of technical expertise in estimating, safety, project management and construction.

BUILDING EXCELLENCE AT EVERY LEVEL

Bid Documents: Contract documents will be available for download from the link below. Paper copies of the contract documents will not be available for pick up or mailed out.

Bid Document Link:

<https://carlwalkerconstruction.box.com/s/vissmbdy08vvg9finefmxpexfidslch9>

Information in Link:

- Construction Drawings, dated 2/10/2023
- Construction Specifications
- Scope of Work Sheets
- Construction Schedule
- Subcontractor Questionnaire
- RFI Form
- Site Logistics Plan

Site Visit: All interested Contractors are encouraged to visit the site.

Questions: Questions concerning the bid document may only be submitted by email, on the RFI provided by CWC. Questions will be answered in a timely manner until (5) business days prior to the bid due date. Last day for questions, will be on July 17, 2023 by 12:00 p.m.

Wages: Wages paid on this project shall not be less than the minimum prevailing wages determined by the Commonwealth of Pennsylvania Department of Labor and Industry.

This is a Prevailing Wage Project; however, Carl Walker Construction has agreements with the Carpenter, Laborers and Cement Mason Unions. Project Labor Agreements (PLA) with these unions are encouraged.

EEO: The contractor will be required to comply with all applicable Equal Employment Opportunity (EEO) requirements. The Contractor must assure that applicants and employees are not discriminate against based on race, color, religion, disability, ancestry, national origin, age, sexual preference, gender identity, gender expressions, political and/or union affiliation.

MWBE: This project requires all bidders to complete and submit Certification of Minority and Women's Participation with Exhibits. CWC acknowledges the project goals of thirty percent (30%) and fifteen percent (15%) women and therefore, requires that all Contractors meet the goals.

The Owner reserves the right to reject and or all bids or to waive any informality in the bidding.

Bids may be held by the owner for a period not exceed (60) sixty days from the opening of the bids for the purpose of reviewing the bids prior to awarding the contract.

All bids and questions should be emailed to blocke@carlwalkerconstruction.com

Next Steps – Non-Union Companies

Carl Walker is signatory to the following unions:

- Carpenters
- Laborers
- Cement Masons

Please stop at the Carl Walker table today for additional information and resources

Opportunity for Non-union businesses to participate:

- Discussions with the Unions at the First Source Center
 - There will be scheduled meetings on July 12th and July 19th with the various building trades/local unions.
 - ✓ These meetings will, represented by the unions, discuss the path of a non-union company to a project agreement to work on the Block E Parking Garage.
 - ✓ Please visit www.lowerhillredevelopment.com/construction-bidding.html for information on dates, time and the Trade meeting

Next Steps

Carl Walker will:

- ✓ collect all the bidders' information
- ✓ organize each company into the various bid packages, and
- ✓ group each company based upon their abilities and interests

Bid Package Issuances

- Carl Walker will organize, invite and facilitate:
 - ✓ Specific bid package meetings,
 - ✓ networking sessions specific to that scope of work
- Carl Walker will have conversations with M/WBE companies to aide in finding ways to work on the project in scopes of work that align with your capabilities.

Next Steps

This is the first session for information. Future sessions will be advertised and held with each of the Bid Package issuances.

Steps to Bid

1. Visit www.lowerhillredevelopment.com/construction-bidding.html
2. Complete the form and hit submit
3. Information will be sent to for inclusion in our interested bidders list
4. Bidding Documents will be issued

How To Bid

Bidding is open to everyone by invite only. Please fill out the form below to be added to the invite list!
